

SUNOCO HEAVY DUTY SUPREME 15W40

Description Heavy Duty API CJ-4 / ACEA E9 engine oil formulated with unique low SAPS high performance additives in combination with special selected base oils fulfilling the latest requirements of high speed four stroke diesel engines.

Application This Heavy Duty engine oil is suitable for use in both on-road and off-highway applications and contributes to low exhaust emission levels and particulates enhancing the lifetime and the longlife efficiency of emission control systems and soot filters. Meets the requirements of both European and North American truck builders.

Specifications

- API CJ-4 / CI-4 Plus / CI-4 / SM
- ACEA E9 / E7
