

Product information

SUNOCO

Multi Duty Grease EP range

Description Multi Duty EP grease is a first quality, 12 hydroxy lithium soap grease, fortified with or without extreme pressure additives.

Application It is a true multi purpose EP grease suitable for severe operating conditions in industry, marine or automotive applications.

Properties Provides superior lubrication under both high and low temperatures from -40° up to 140° C.

Very good water resistant characteristics.

Resists changes in consistency under heavy loads and high speed variations.

Typical Analysis :

NLGI	00	0	2	3
Colour	Amber	amber	amber	amber
Soap type	Lithium	lithium	lithium	lithium
Penetration at 25°C 60 strokes			265-295	220-250
Penetration loss after 100.000 strokes / %max			10	10
Dropping point °C min	>160	180	185	185
Application range °C	-40 / +100	-20 / +120	-20 / +140	-20 / +140

EP properties				
4 ball weld load / kg	240	280	230	230

Base oil specifications				
Viscosity at 40°C / cSt	40	220	100	100
Viscosity at 100°C / cSt			7.8	7.8
