

## Product information

# SUNOCO

## Compressol S 46

**Description** High quality mineral type air compressor oil.

**Application** Mainly in oil injection type screw air compressors as well as in some centrifugal air compressors (vane lubrication at temperatures below 60° C).

**Specifications**

- DIN 51506: VDL
- ISO 6743/3A: ISO-L DAJ

**Properties**

- Protects the compressors against rust, wear and corrosion.
- Allows start-up of the equipment at low temperature.
- Excellent functioning of the separating filters of the screw type compressors (less pressure drop and longer life span of the equipment).
- Reduces maintenance work (low carbon forming tendency, lower fire and explosion risk).
- Reduced lubricating oil consumption with long service intervals and less frequent need for lube oil top-ups.

### Typical analyses :

TYPE	S46
Density at 15°C	0.873
Viscosity at 40°C / cSt	46
Viscosity at 100°C / cSt	6.8
Viscosity index	98
Flash point °C	215
Pour point °C	-27
TAN mg KOH/g	1.0
Colour	2.0
