

Product information

SUNOCO

Eco Grease S 000

Description Lithium/calcium soap type grease based on synthetic esters. Environmentally harmless and rapidly biodegradable.

Application Central lube systems for trucks and busses.

Properties

- Excellent lubrication properties even at low temperatures.
- Protection against oxidations, wear and corrosion.
- Water resistant.
- The use of ECO GREASE S 000 is ecologically beneficial, protects the environment in general, helps to keep ground water uncontaminated and to maintain human, animal and vegetable health.

Typical analysis :

| | |
|-----------------------------|-----------------|
| NLGI | 000 |
| Soap type | Lithium/calcium |
| Colour | Green |
| Worked penetration | 400 – 460 |
| Dropping point °C | 150 |
| Application range °C | -40 / +120 |
| DIN classification (51 502) | KPE 000 K-40 |
| ISO classification (6743-9) | L-XDCEB 000 |

| | |
|-------------------------|----|
| Base oil specifications | |
| Viscosity at 40°C / cSt | 40 |
