

Product information

SUNOCO

Sunamatic ATF 153

Description Automatic Transmission Fluid.

Application For universal use where GM (ex-Dexron II) is prescribed and in automatic gearboxes of Caterpillar, MB, Ford, Voith and in heavy duty industrial and marine transmission systems.

Specifications

- GM (ex Dexron II)
- ZF TE-ML 14
- Allison C-4
- Ford M2C-166-H / M2C-138-CJ / M2C-33F/G
- MB 236.6

Properties - Excellent viscosity performance and high viscosity index stand for application without any problems.

Typical analysis :

Density at 15°C	0.872
Viscosity at 40°C / cSt	38.4
Viscosity at 100°C / cSt	7.5
Viscosity index	164
Flash point °C	195
Pour point °C	-42
Colour	Red
