

Product information

SUNOCO

Sunibro 22

Description Chlorine free, highly additive containing broaching oil. Broaches well and forms a pressure resistant film on the broaching tool, which results in prolonged tool life.

Application SUNIBRO 22 is a lubricant with a high additive content that ensures a long tool life and high quality surface finish.

Properties

- Contains no chlorine.
- Long tool service life.
- Good surface finish and dimensional accuracy of the finished pieces.
- Low oil consumption.
- Good lubricating ability.
- Excellent anti-weld properties.

Typical analysis :

Density at 15°C	0.885
Viscosity at 40°C / cSt	30.5
Colour	L3.0
